CRAFTIFY APRIL 2020

On April 30, 2020, the Innovation and Entrepreneurship Development Cell (IEDC) at VISAT Engineering College buzzed with ingenuity during the Craftify event. Creativity soared as students showcased their works, transforming ideas into tangible innovations. The atmosphere crackled with innovation, fostering a platform where minds converged to exhibit a diverse array of projects. From ingenious prototypes to sustainable solutions, Craftify became a melting pot of innovative prowess. The event not only celebrated the spirit of entrepreneurship but also highlighted the power of collaboration, where budding engineers collaborate seamlessly to craft solutions that address real-world challenges. Craftify served as a testament to the relentless pursuit of innovation, echoing the ethos of the IEDC at VISAT Engineering College.

11. International Yoga Day Celebrations

VISAT Engineering College NCC Cadets celebrated International Yoga Day on 21st June, 2023. Yoga master from Wellness Centre, Hyderabad provided training to the NCC Cadets of VISAT Engineering College. The trainers emphasized that Yoga is not just about bending or twisting the body and holding the breath. It is a technique to bring you into a state where you see and experience reality simply the way it is. Also highlighted that Yoga enables students to experience the whole universe as a part of yourself, making everything one, this is the union that yoga creates. 30 NCC Cadets participated and promised that they will practice Yoga daily.

NSS VISAT

UNIT NO : 570

REPORT 2020

OLD AGE HOME VISIT

As a part of social activity, we visited an old age home on Feb. 19 2020. Food packets were collected from students and distributed among the residents. Small activities were also conducted to entertain them. They also actively joined the volunteers and had a great time.

CANCER AWARENESS CLASS

On behalf of the international day of cancer, NSS unit of VISAT has conducted an awareness class for 2 hours on 13 February 2020. Class was taken by Junior Health Inspectors, Dr.Sujith and Mr.Vimal from Elanji health centre .They shared different measures that we can implement in our life style that could help us to prevent cancer to an extent. The class was very helpful and made each and every one of us to realise the immense danger of things that we took so carelessly.

EVENT REPORT

Name of the Program: Selection of NCC Cadets for the year 2022

Date: 27/10/2022

Number of Volunteers: 130

Place: VISAT Engineering College

At VISAT Engineering College, the NCC cadet selection for the year 2022 took place on October 27th, orchestrated by NCC officials from the esteemed 16K BN Kottayam. The event marked a significant endeavor to identify and enlist promising candidates into the NCC program, reflecting the college's commitment to nurturing holistic development. A total of 130 students actively engaged in the selection process, showcasing a keen interest in joining the National Cadet Corps. The officials, hailing from 16K BN Kottayam, meticulously evaluated the candidates through a comprehensive approach involving both physical assessments and direct interviews.

Out of the 130 participants, 32 cadets distinguished themselves and were selected based on their performance in the rigorous physical tests and insightful interviews. These assessments likely scrutinized attributes such as physical fitness, endurance, leadership potential, and alignment with NCC values. Following their selection, the chosen cadets underwent a vital phase in the confirmation process—a thorough medical checkup. This step ensures that the selected individuals are in optimal health, aligning with the college's commitment to fostering not just academic excellence but also the physical well-being of its cadets. The emphasis on a medical examination underscores the college's dedication to producing well-rounded individuals equipped for the challenges and responsibilities of NCC participation.
