INTRODUCTION

Profound Changes in education systems are happening in the Universe as a whole, and needless to say, no exemption is envisaged in the Indian / Kerala system also. The education policy of India has undergone significant changes from the 1956 policy to NEP (National Education Policy) 2020, which focuses on holistic development of learners, flexibility and a multidisciplinary approach. AICTE has already taken many initiatives to come out with a model curriculum for engineering programs. The digital initiatives of MHRD and AICTE have made available a very large number of MOOC (Massive Open Online Courses) courses through SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) that can help the students and teachers to enhance their knowledge and learning capacity. The onset of Outcome-Based Education has paved the way for dramatic changes/reforms, especially in the examination and assessment. The examination policy presented focuses on the recommendations for reforms in examinations (Assessment of students) in the context of Outcome Based Education (OBE).

The feedback system from various stakeholders and attainment of course and program outcomes and thereby filling the academia-industry gap and hence ensure the quality of the education system. In the constructively aligned curriculum of the program, the courses are carefully coordinated to ensure the learners effectively attain the learning outcomes, leading to the achievement of the intended POs. For the effectiveness of the program, the achievement of POs is crucial and needs to be proven through accurate and reliable assessments. The attainment of the outcomes is determined through direct and indirect assessment tools. One of the direct assessment tools for the attainment calculation is the implementation of a well structured examination system in the institution.

PRINCIPAL
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Eranji, Ernakulam - 686 665

A P J Abdul Kalam Technological University, which is the appellate authority of Technical education in Kerala, also reformed the examination system in line with the AICTE norms. VISAT Engineering College (VISATEC) is one of the self-financing colleges in the state of Kerala established in the year 2011, also adheres to the periodical changes and reforms in conducting and evaluating the examinations put forward by the affiliated University.

VISATEC has a well-functioning IQAC (Internal Quality Assurance Cell) that was constituted in the year 2020, focused on quality enhancement and sustenance in the college. Department Quality Assurance Cell DQAC is constituted in all departments which works jointly with IQAC to assure quality education and assessment mechanism. IQAC directs DQAC to ensure the quality in the respective departments effectively. Three Internal audits are conducted every semester under the supervision of IQAC by duly appointed auditors.

ASSESSMENT STRATEGY

All students registered for the courses are evaluated through a continuous assessment process which includes series tests, assignments, seminars, project works and other activities (measurable). VISAT follows a transparent and robust internal assessment process which is in line with the affiliating University regulations. The internal examination dates are frozen at the beginning of the semester during the College Executive Council meeting and are made visible in the college academic calendar. Well-functioning exam cells for both internal examinations and University examinations effectively conduct and monitor the progress of the assessment mechanisms. The circular regarding the submission of question papers by the respective faculty will be disseminated to all concerned before one week of the commencement of the examination. Allocation of the seats for the students and

PRINCIPAL
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Eranji, Ernakulam - 686 685

duties assigned to the faculty members for the examinations are prepared by the examination cell. DQAC, constituted in the departments with HOD and senior faculty members, check and ensure the quality of the question paper as per Revised Bloom's Taxonomy Level and AICTE Examination Reforms.

The following measures are adopted for ensuring the quality of the question paper.

- ☐ All the questions are framed based on Bloom's Taxonomy.
- ☐ The questions should satisfy AICTE examination reforms.
- ☐ All the questions are mapped against their corresponding Course Outcomes.
- ☐ Each faculty is asked to submit two question papers for the course they handle.
- ☐ A Question Paper Review Committee (QPRC) is functioning in each department for the scrutiny of question papers, the corrections suggested by this committee should be made before the submission.
- ☐ After the suggestions of QPRC are made, DQAC submits one question paper at random for each course to the IQAC.
- ☐ IQAC ensures the quality of the question paper and submit it to the examination cell with proper authentication.

The evaluation process bears such transparency that the answer scripts are returned to the students for their verification and the students can easily approach the course faculty for clarification, if any, based on the scheme. Different committees involved in the whole process are the Internal Examination Committee which deals with the complete conduct of the examination.

2015 REGULATION

VISATEC follows the evaluation reforms of the affiliating University and also initiates its own which is in strict compliance with the University guidelines. Outcome-Based Education has already been initiated in the college, close monitoring is done and the curriculum gaps are identified and filled with Innovative assignments, Tutorials, Projects, Add-on courses, Value Added Programs, Technical Invited talks, Field Visits, Internships, etc.

VISATEC conducts two series tests of 40 marks each with 90 minutes which are later normalized to 20 marks for the final evaluation. A minimum of two assignments are given for each course and then normalized to 10 marks for the internal evaluation. The marks allotted for the Internal assessment for most of the courses is 50 (Series test 1 and 2 comprises 20 marks each, Assignments 10 marks) and 100 marks for the end semester University examination. For a few subjects like engineering graphics, life skills, etc., the internal mark is 100 and the University examination mark is 50. Internal marks for these subjects are finalized through series tests (40 marks each for Series-1 and Series-2) and Assignments (20 marks). If a student fails to attend any of the series tests due to genuine reasons, then the student can appear for the retest. University prescribes a minimum of 45 % in internal assessment and 75% attendance to be eligible for appearing in the end semester examination. A student who is running short of minimum attendance and has valid medical reasons can approach the Principal with solid proof for consideration. The entire evaluation process is informed to the students in the first class itself by the Chief Faculty Advisor and also informed in the orientation meetings, class committee meetings, etc. The internal marks are displayed on department notice boards and communicated to the students. Grievances, if any, are addressed by the department committee. Internal marks for the practical classes are 100 which include 70 marks for Continuous Evaluation, Viva, and Records, and 30 marks based on the final test conducted at the end. Once the

PRINCIPAL

VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Elanji, Ernakulam - 686 665

Page 6 of 15

internal marks are finalized and approved by the internal finalization committee, it is uploaded to the affiliating University portal. Further, the verification is carried out in the internal KTU exam cell by a group of senior faculty members under the supervision of the Principal. Finally, it is submitted to the University after the approval of the Principal.

Evaluation Process:

The evaluation split up of various courses are depicted below:

Theory Subjects:

UG Internal marks are finalized based on the following schemes:

Series examination -1	:	20 Marks
Series Examination -2	:	20 Marks
Assignment	:	10 Marks
Total	:	50 Marks.

The maximum marks for the end-semester examination are 100.

Laboratory Classes:

For most of the laboratory sessions, the students work in groups and are monitored by the faculty. The cycle of experiments and manuals is given in advance. The performances of the students are monitored through the way they demonstrate, viva voce, records, etc.

The scheme of evaluation is:

Internal Assessment	:	70 Marks
Final practical exam	:	30 Marks
Total	:	100 Marks

PRINCIPAL Page 7 of 15
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Elanji, Ernakulam - 686 665

Seminar / Projects:

Strict evaluation of the project and seminar is also conducted adhering to the affiliating University norms. A panel of evaluators is constituted by HoD and this panel assesses the performance. In addition to the above methods devised by the University, various methods like seminars, quiz programs, mini-projects, etc. are adopted by the institution.

The internal marks are published and displayed in departments and the grievances, if any, are addressed by the department team. Eligibility criteria are followed as per affiliating University norms. All the data collected are stored in digital format for recovery/future reference. The end-semester answer scripts are evaluated in the valuation camps constituted by the University.

(a) 2019 REGULATION

Affiliating University Modified the Curriculum & Syllabus in line with global requirements in the year 2019 and many constructive modifications were done both in the syllabus and Curriculum. Candidates in each semester shall be evaluated both by Continuous Internal Evaluation (CIE) and End Semester Examinations (ESE). The ratio of Continuous Internal Evaluation (CIE) to End Semester Examinations (ESE) shall be as below:

1. Theory Courses: 2: 1
2. Laboratory Courses: 1: 1
3. Project: CIE only
4. Seminar: CIE only

Continuous Internal Evaluation (CIE) is done in VISATEC, as stipulated by the Affiliating University, on the basis of day-to-day work, periodic tests, and assignments. In a semester, for the course, a minimum of two tests and two

PRINCIPAL
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Elanji, Ernakulam - 686 665

assignments are being conducted. The faculty members conduct the internal evaluation process for the course/s allotted to him/her. Normally the internal marks are computed by giving weightage in the following manner:

Course	Attendance	Tests	Assignments/ Classwork/ Projects
Theory	20%	50%	30%
Drawing/ Practical	20%	40%	40%

There shall be a minimum of two internal evaluation tests, each of 2:00 hrs duration. Each test shall cover 50% of the syllabus and shall be for 50 marks. Retest shall be permitted to the students who could not appear for the internal tests due to genuine grounds. Three days shall be utilized for conducting the internal evaluation test.

For the project works and seminar following guidelines are followed:

Project Work	<ul style="list-style-type: none">a. Work assessed by the project guide - 30%b. Three-member Continuous Internal Evaluation Committee - 40% (Guide shall be one member in the CIE committee)c. Final Evaluation by a three-member Committee composed of the department project coordinator, guide, and an external expert. The external expert shall be an academican or from the industry. The industry expert is preferred: 30%d. One third of the project credit shall be completed in the VII semester and two-third in the VIII semester
Seminar	<p>The report and the presentation shall be evaluated by a team of internal members comprising three senior faculty members based on the presentation, technical content, adequacy of reference, depth of knowledge, and overall quality of the report.</p> <ul style="list-style-type: none">a) Attendance: 10%b) Guide: 20%c) Technical content: 30%d) Presentation : 40%

[Handwritten Signature]

PRINCIPAL

VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Elanjy, Ernakulam - 686 665

Normally, The CIE marks for the attendance (20%) for each theory and practical shall be awarded in full, only if the candidate has secured 90% attendance or above in the subject. If a student has attended for a subject below 90%, a reduction in the marks for the attendance shall be made proportionally. Duty leave shall be accounted for by awarding the internal marks for attendance. University follows the special normalization rule to finalize the internal marks i.e. Continuous Internal Evaluation mark percentage shall not exceed 30% over the End Semester Examination mark percentage. CIE marks awarded to a student shall be normalized accordingly. Therefore, each faculty takes utmost care in finalizing the internal marks.

The grading and grading points are shown below:

Grades	Grade Points	% of total marks obtained in the course
S	10	90% and above
A+	9.0	85% and above but less than 90%
A	8.5	80% and above but less than 85%
B+	8.0	75% and above but less than 80%
B	7.5	70% and above but less than 75%
C+	7.0	65% and above but less than 70%
C	6.5	60% and above but less than 65%
D	6.0	55% and above but less than 60%
P	5.5	50% and above but less than 55%
F	0	Below 50% (CIE + ESE) or Below 40 % for ESE
FE	0	Failed due to lack of eligibility criteria
I	0	Could not appear for the end semester examination but fulfills the eligibility criteria.

Question Paper setting & scrutiny are done in the same way as specified in the 2019 regulation.

PRINCIPAL Page 10 of 15
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Etanji, Ernakulam - 686 665

QUESTION PAPER SETTING & SCRUTINY

Question papers are set based on the Revised Bloom's Taxonomy level (See Appendix) and the Question paper scrutiny team is set up department level with HOD as chairman and each course the concerned faculty will submit two sets of question papers, scrutiny team will evaluate (refer Appendix for the scrutiny form) the quality of the question paper and if found not in standard will be rejected summarily, once the sets are approved HOD maintaining the confidentiality randomly choose one Question Paper and send to the Examination cell.

MINOR & HONORS

All students are eligible for registering for Minor Courses, Minor registration is done along with the registration of S3 courses. If a student fails in any course of the minor, he/she shall not be eligible to continue the B.Tech Minor. However, the additional credits and grades thus far earned by the student shall be included in the grade card but shall not be considered in calculating the CGPA. The student shall earn additional 20 credits to be eligible for the award of a B. Tech Degree with Minor. Out of the 20 Credits, 12 credits shall be earned by undergoing a minimum of three courses, during the specified period. The total number of contact hours for these three courses shall be 126 Hrs (42 Hrs/course). The duration of a course shall be a minimum of 14 weeks. The remaining 8 credits could be acquired through two MOOCs recommended by the Board of studies and approved by the Academic Council of the Affiliating University. Students can choose the subjects from the basket (depending on specialization) allotted by the Affiliating University. The internal Assessment of the Minor course is as per the normal course procedure explained before.

Out of the 20 Credits, 12 credits shall be earned by undergoing a minimum of three courses, during the specified period. The total number of contact hours for these

Page 11 of 15

PRINCIPAL
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Elanjy, Ernakulam - 686 665

three courses shall be 126 Hrs (42 Hrs/course). The duration of a course shall be a minimum of 14 weeks. The remaining 8 credits could be acquired through two MOOCs recommended by the Board of studies and approved by the Academic Council. The B. Tech (Honors) registration shall be along with the registration for the 4th semester. If a student fails in any course including the course chosen for B. Tech (Honors), he/she shall not be eligible to continue the B.Tech (Honors). However, the additional credits thus far earned by the student shall be included in the grade card but shall not be considered in calculating the CGPA. The student shall earn additional 20 credits to be eligible for the award of B. Tech (Honors) Degree. Out of the 20 Credits, 12 credits shall be earned by undergoing a minimum of three specified B. Tech (Honors) Elective courses of the respective stream. Credits for the B. Tech (Honors) Elective courses are deemed to be earned only on getting at least a grade 'C' or better in the composite evaluation. A student shall not be permitted to select the normal elective courses of the respective B. Tech programs for attaining the credit requirements of B. Tech (Honors). The remaining 8 credits could be acquired through two MOOCs of the respective streams recommended by the Board of studies and approved by the Academic Council. B. Tech (Honors) Degree shall be issued by the University to the students who fulfill all the academic eligibility requirements for the B. Tech and B. Tech (Honors) programs. The internal & external assessment process is the same as explained before.

CONCLUSION

As AICTE Reforms rightly say, in the Indian engineering education system, written examinations play a major role in assessing the learning and awarding of grades to the student. Universities and colleges give the highest weightage to the outcomes of the written examinations in overall grading. Questions raised in the examination/test papers play an important role in defining the level of learning the student is expected to achieve in the courses and hence in the program. Since assessment drives learning, the design of question papers needs to go beyond the mere test of memory recall.

Page 12 of 15

PRINCIPAL
VISAT ENGINEERING COLLEGE
(Affiliated to APJ AKT University)
Ennakulam - 686 665

They also need to test higher-order abilities and skills. Written examinations assess a very limited range of outcomes and cognitive levels. Particularly in the courses, where course outcomes (COs) cover a broad range of expectations, written examinations alone will not be sufficient to make valid judgments about student learning. A wide range of assessment methods (e.g., term papers, open-ended problem-solving assignments, course/lab project rubrics, portfolios, etc.) need to be employed to ensure that assessment methods match with learning outcomes. It is advisable to formulate assessment plans for each of the course in the program that brings clarity to the following:

- a. Alignment of assessment with learning outcome of the course
- b. Level of learning (cognitive) student is expected to achieve
- c. Assessment methods to be adapted

The blooms Taxonomy, OBE, etc. are focused to achieve these goals.

Odd Semester (2023-2024)

SLNo.	Important Events	Important Dates
1	Commencement of classes for B. Tech S5	03-08-2023
2	Commencement of classes for B. Tech S7	10-08-2023
3	Preaduit S5/S7, Second Audit S2	10-08-2023 & 11-08-2023
4	Course Selection and Mapping Begins for B. Tech S7/S5	18-08-2023
5	First Feedback S5/S7	23-08-2023
6	Course Selection and Mapping ends for B. Tech S7/S5	24-08-2024
7	Commencement of classes for B.tech S3	04-09-2023
8	Commencement of classes for S1	07-09-2023
9	Commencement of Induction Programme for S1	08-09-2023
10	Course Selection and Mapping Begins for B. Tech S3	11-09-2023
11	First Feedback S3	13-09-2023
12	First CC Meeting (S7/S5/S3)	14-09-202
13	End of Induction Programme for S1	15-09-2023
14	Course Selection and Mapping Ends for B. Tech S3	18-09-2023
15	End of university valuation camp	23-09-2025
16	First CC Meeting for S1	25-09-2023
17	Last date for corrections related to course selection and mapping (S3) on KTU portal	28-09-2023
18	Commencement of Student Registration through KTU Portal B. Tech S1	04-10-2023
19	Course Selection and Mapping Ends for B. Tech S1	05-10-2023
20	College Union Election	06-10-2023
21	Question Paper submission Series 1 - S5/S7	09-10-2023
22	Series 1 starts - S5/S7	11-10-2023
23	Series 1 ends- S5/S7 Last Date for Student Registration S1	13-10-2023
24	KTU id generation - 16 OCT	16-10-2023
25	Exam Registration begins for B. Tech S7	18-10-2023
26	Last date for the completion of Student Profile Updation - 21 OCT	20-10-2023
27	Exam Registration begins for B. Tech S5	25-10-2023
28	Question Paper submission Series 1 - S3	26-10-2023
29	Exam Registration ends for B. Tech S7	27-10-2023
30	Skill up / Student leadership Program (IQAC)	27-10-2023
31	Series 1 starts - S3	28-10-2023
32	Last date for the completion of Student data Verification and Submission by College	30-10-2023
33	Series 1 ends - S3,S1	31-10-2023
34	Exam registration for btech S3	01-11-2023
35	IQAC first internal Audit	04-11-2023
36	Exam Registration Begins for B. Tech S1	06-11-2023
37	Last date for the completion of First Internal Audit by College level IQAC	06-11-2023
38	Last date for the completion of First Internal Audit by College level IQAC 4	07-11-2023
28	Exam Registration ends for B. Tech S3	08-11-2023
29	Second feedback S3/S5/S7	10-11-2023
30	Second CC Meeting for B. Tech S7/S5/S3

VII INT-EXM-EVT 2023 006

16/10/2023

NOTICE

All faculty members are requested to prepare two question papers for the second series examination of S1 & S3 in the prescribed format. Submit both question papers to the IQAC through HOD of the respective department and the approved question paper shall reach the exam cell on or before 20th October 2023 at 3pm. Sample Question Paper formats (Two formats) are mailed to your official mail.

Note: Please specify the Exam Slot (check timetable) on the Top Right Corner of the Question Paper along with the set number indication.

Question Paper Pattern for S1 & S3			
KTU (B. Tech S1&S3) Total Marks: 50	Part A (20 Marks) (Questions from Module 1)	Compulsory questions (12 Marks)	Shall contain combinations of 2 marks, 3 marks, 4 marks, or 6 marks.
		Choice question (8 Marks)	Shall contain Two 8 mark questions. Students should attend to any one question.
	Part B (20 Marks) (Questions from Module 2)	Compulsory questions (12 Marks)	Shall contain combinations of 2 marks, 3 marks, 4 marks, or 6 marks.
		Choice question (8 Marks)	Shall contain Two 8 mark questions. Students should attend to any one question.
	Part C (10 Marks) (Questions from half portion of Module 3)	Compulsory questions (10 Marks)	Shall contain combinations of 2 marks, 3 marks, 4 marks, or 6 marks

First SERIES EXAM QUESTION PAPER REVIEW CHECKLIST

Name of the Course with Code	Object Oriented Programming	CST205
Faculty In-charge	Aswathy Ramakrishnan	

S.No	Description	Tick Appropriately		Comments
		Yes	No	
01.	Is Program Name, Branch, Course code/ & Name, Max. Marks and Duration mentioned?	Yes	No	
02.	Is the total of 50 Marks awarded accordingly?	Yes	No	
03.	Whether the question paper is set within the syllabus?	Yes	No	
04.	Whether the question paper is in accordance with the RBT?	Yes	No	
05.	Are each question prepared for assessing any one of the COs of the respective course?	Yes	No	
06.	Are the Questions distributed evenly according to the Modules / Topics?	Yes	No	
04.	Whether the Question numbers are sequential or continuous?	Yes	No	
07.	Are there any repetitive Questions among the sub divisions?	Yes	No	
08.	Spelling, typological and Grammatical errors have been checked?	Yes	No	
09.	Is 50% of the Questions are of Higher Order thinking skills?	Yes	No	
10.	Mentioning of Code/Data books, Tables, Charts, Drawing sheet, graph paper, if any needed for answering the Questions?	Yes	No	
11.	Additional Comments if any: <p style="text-align: right;">9/10</p>

		VISAT ENGINEERING COLLEGE, ELANJI APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY	
SERIES EXAMINATION		CSE	
B.Tech in Computer Science and Engineering		Branch: COMPUTER SCIENCE AND ENGINEERING	
Semester: Semester 3		Academic Year: 2023-24	
Course Code: CST 205	L-T-P Credits: 3-1-0-4	Course Name: OBJECT ORIENTED PROGRAMMING USING JAVA	
Time: 2:00 Hrs.	SERIES TEST 1	Maximum Mark: 50	

PART A

1. How classes are described in a class diagram? Mark:4.0 | CO: CO1 | BL:2 | ML:MODULE 1

2. Discuss about garbage collection in java? Mark:4.0 | CO: CO1 | BL:2 | ML:MODULE 1

3. Compare Java Applets and Java Applications? Mark:4.0 | CO: CO1 | BL:2 | ML:MODULE 1

Answer 1 out of 2 questions

4. Explain any 4 features of java with a java Buzz word? Mark:8.0 | CO: CO1 | BL:2 | Module:MODULE 1

OR

5. Explain about JVM, JRE and JDK? Mark:8.0 | CO: CO1 | BL:2 | Module:MODULE 1

PART B

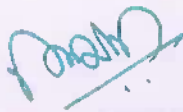

6. Discuss about if-else statement in java with an example? Mark:4.0 | CO: CO2 | BL:3 | ML:MODULE 2

7. Write a java program to print the day of the week based on the value of the 'day' using the switch-case statement? Mark:4.0 | CO: CO2 | BL:3 | ML:MODULE 2

8. Discuss about integer literals? Mark:4.0 | CO: CO2 | BL:2 | ML:MODULE 2

Answer 1 out of 2 questions

PRINCIPAL
VISAT ENGINEERING COLLEGE
 (Affiliated to APJ AKT University)
 Elanji, Ernakulam - 686 605

8. Discuss about integer literals?

Mark:4.0 | CO: CO2
| BL:2 |
ML:MODULE 2

Answer 1 out of 2 questions

9. Demonstrate the use of if-else statement in java by writing a program to determine whether a given number is odd or even?

Mark:8.0 | CO: CO2
| BL:3 |
Module:MODULE 2

OR

10. Write a program to explain Arithmetic operators in java ?

Mark:8.0 | CO: CO2
| BL:3 |
Module:MODULE 2,

PART C

11. Discuss the concept of inheritance in java and how it is used in Object Oriented Programming?

Mark:6.0 | CO: CO3
| BL:2 |
ML:MODULE 3

12. Discuss about the concept of packages in Java?

Mark:4.0 | CO: CO3
| BL:2 |
ML:MODULE 3

CO: Course Outcomes

- CO1: Write Java programs using the object oriented concepts - classes, objects, constructors, data hiding, inheritance and polymorphism (Cognitive Knowledge Level: Apply)
- CO2: Utilise datatypes, operators, control statements, built in packages & interfaces, Input/ Output Streams and Files in Java to develop programs (Cognitive Knowledge Level: Apply)
- CO3: Illustrate how robust programs can be written in Java using exception handling mechanism (Cognitive Knowledge Level: Understand)

BL: Blooms Taxonomy Level

6-Creating, 5-Evaluating, 4-Analyzing, 3-Applying, 2-Understanding, 1-Remembering,

ML: Module

VISAT ENGINEERING COLLEGE

Students Examination Eligibility Details

Academic Year : 2021 - 2022

Degree Type : Regular

**Program :
 B.Tech(Full Time)**

Branch : COMPUTER SCIENCE AND ENGINEERING

Semester : S8

Course Name PROJECT-CS492

**Batch :
 COMPUTER
 SCIENCE AND
 ENGINEERING**

Student	Attendance % , Internal Marks/20	Avalied Leaves	Disc. Action	Eligible for Written Exam	Status	In-eligibility Type
AFNA AZEEZ Register No : CKC17CS001	Attendance : 78.0 Internals : 15.0/20	Long Leave : Duty Leave :		Yes	Submitted by college	
AGNEL VITUS Register No : VIT18CS001	Attendance : 76.0 Internals : 15.0/20	Long Leave : Duty Leave :		Yes	Submitted by college	
AMRUTHA SURESH Register No : VIT18CS002	Attendance : 95.0 Internals : 16.0/20	Long Leave : Duty Leave :		Yes	Submitted by college	
ANAGHA MARIA GIREESH Register No : VIT18CS003	Attendance : 80.0 Internals : 16.0/20	Long Leave : Duty Leave :		Yes	Submitted by college
