SCHOLARSHIP POLICY

Since its inception, VISAT Engineering College has been committed to its social responsibilities towards the various categories of students and has played a vital role for more than a decade in uplifting the educational standards and qualifications of the students. The Management, Faculty, Non-Teaching Staff, PTA, other stakeholders, and the Alumnae Association, take special initiative to motivate promising and meritorious students by providing additional benefits and instituting various Scholarships in a methodical manner along with Government and University scholarships. For the Government of India Scholarships and Government of Kerala Scholarships, students are applying online through the respective websites. With regard to scholarships/awards instituted by VISAT Engineering College, students are nominated as per the defined eligibility criteria mentioned for each category of scholarships/awards. The College has framed the Policy Statement for Scholarships/Awards for the smooth and efficient functioning of the institution, selection, and disbursement of the scholarships. Since most of the students are from poor financial backgrounds and from rural areas, instead of reimbursing the scholarship amount, the management has decided to reduce the scholarship amount from the actual fee payment. The Central, State Government and University Scholarships have to be applied through the respective government portal. VISAT Engineering College has a liberal scholarship policy to support students in their studies. It can be classified as follows:

1. **V-SET Scholarship Examination**

The students who successfully complete the V-SET scholarship examination are eligible for the V-SET scholarship provided by the college management. The cutoff marks and other details to avail of the scholarship will be updated on the college website every academic year.

2. **Management Merit Scholarship based on KEAM (Kerala Engineering Architecture Medical) Entrance Examination**

This scholarship is granted by the college management based on the KEAM (Kerala Engineering Architecture Medical) Entrance Examination Rank of the students or their marks in the qualifying Examination.

3. Management Merit Scholarship based on Plus Two Marks

This scholarship is granted by the college management based on the plus two marks of the students.

4. Management Scholarship for BPL and students from EWS

Students who fall under the BPL (Below the Poverty Line) category are eligible for this scholarship. During the time of admission, the applicant should submit all necessary documents to avail himself/herself of the scholarship. The students who fall under the EWS are eligible for scholarship on submitting the supporting documents. The scholarship amount will be decided by the management after scrutiny.

5. TWF scholarship to the students Allotted in the supernumerary seats

AICTE has sanctioned 5% supernumerary places in B. Tech programs in the category of Tuition Fee Waiver. The state entrance commissioner selects these students from among the students allotted to each Institution based on their KEAM rank and family income. The college will waive off the tuition fee and refundable deposit to these students.

6. E- grants to SC, ST, OEC and OBC students sanctioned by the government of Kerala

The government of Kerala sanctions SC, ST, and OEC students joining the college. The SC, ST and OEC students who stay in the hostels are provided with hostel expenses too.
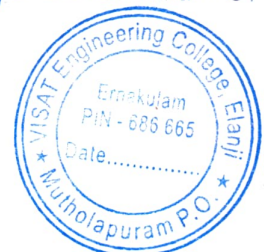

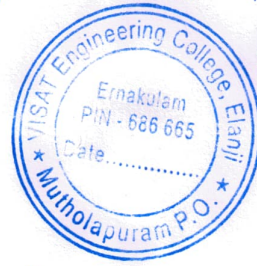

7. Scholarship granted by MHRD to students of minority communities.

Every year the MHRD (Ministry of Human Resources and Development) is given to students of minority communities based on their merit.

8. NSP Scholarships

Central and State Government scholarships are available to eligible students who can apply through NSP (National Scholarship Portal). Details will be available to students during admission.

9. Hostel scholarship

Our hostel charges are very moderate and mess charges are on a dividing basis. Still, we granted a limited number of scholarships to very needy hostlers.
