Yoga Day Celebration 2023

Invitation for Yoga Day Celebration

REPORT

The Internal Quality Assurance Coll (IQAC) of Visat Engineering College organized a Yoga Day event on June 21, 2023, to commemorate the International Day of Yoga. The event aimed to promote the practice of yoga among students and faculty members, highlighting its benefits for physical and mental well-being. It was a half day program starting from 11.00 am to 12:30 pm for all the students and faculties of VISAT. The opening ceremony of the event was started by the welcome speech of Asst.prof. Annie Sonia. Sri Sakthidasan MS was the program's resource person, he is basically an entrepreneur who has 20 years of experience in yoga as well as meditation. He delivers talks on the benefits of yoga and its relevance in modern-day living. These interactive sessions provided valuable insights and answered queries related to yoga practice, dispelling myths and misconceptions. After his talk, he engaged the students by conducting a practical session of yoga asanas. The session aimed to provide hands-on experience and guidance in performing various yoga postures correctly. At the end of the practical session, a dedicated student interaction session was conducted to allow students to ask questions and seek clarification from the resource person. This interactive session aimed to deepen their understanding of yoga and address any doubts or queries they may have had. The event was concluded by Mr. Aditya Niranjana, a first-year Mechanical Engineering student. As a representative of the student body, Mr. Aditya

OBC CELL POLICY

INTRODUCTION FOR OBC CELL

The Other Backward Classes (OBC) Cell at VISAT Engineering College is a dedicated institution within our academic community committed to fostering inclusivity, equal opportunity, and support for students belonging to the OBC category. Our mission is to provide guidance, support, and a nurturing environment to empower OBC students to achieve their academic and personal goals.

OBJECTIVES:

The OBC Cell of VISAT Engineering College is established to ensure that students belonging to the Other Backward Classes are provided with equal opportunities for admission, scholarship, and support during their academic journey.

WE AIM TO ACHIEVE THIS BY:

- Assisting OBC students in the admission process.
- Providing information about OBC scholarships and financial aid.
- Organizing awareness programs and workshops.
- Addressing the concerns and grievances of OBC students.
- Promoting an inclusive and diverse campus environment.

GRIEVANCE REDRESSAL

OBC students can approach the cell with any academic or non-academic concerns. The cell will address these issues promptly and confidentially.

SCHOLARSHIP AND FINANCIAL AID

The OBC Cell shall facilitate OBC students' access to scholarships and financial aid programs provided by the government or the college.

OBC CELL COMMITTEE

- The institute has established an OBC committee, with the Principal serving as the chairperson. This committee comprises faculty members, and students. The committee's primary responsibility is to prevent any incidents of discrimination and harassment based on caste or tribe.

PRINCIPAL

REPORTING AND REVIEW

- The OBC Cell shall prepare an annual report of its activities and submit it to the college administration for review.

CONFIDENTIALITY

- All information related to OBC students will be treated with the utmost confidentiality.

COMPLIANCE

- This policy shall be in compliance with all relevant laws and government regulations.

FREQUENCY OF MEETING

- The committee will conduct meetings once every semester to review and address cell-related issues.

ICT ENABLED CLASSROOMS

The college's implementation of ICT-enabled classrooms is a commendable initiative aimed at elevating the overall learning experience for its students. These classrooms are equipped with state-of-the-art audio-visual aids, which serve as powerful tools to foster interactive and engaging teaching methodologies. The utilization of online platforms and tools for e-learning, coupled with access to high-speed internet, further enriches the educational environment.

Key highlights of the ICT-enabled classrooms include:

Interactive Teaching: Faculty members can harness the power of audio-visual aids to create dynamic and immersive learning experiences. This approach not only captures students' attention but also aids in the comprehension and retention of subject matter.

E-Learning Support: The college has integrated online platforms and tools, enabling students to access a wide range of digital resources. This facilitates independent and self-paced learning, allowing students to delve deeper into their subjects.

High-speed Internet Access: The availability of high-speed internet is a vital component of these classrooms. It ensures that students can access online content, conduct research, and participate in virtual learning activities seamlessly.

Collaborative Learning: ICT-enabled classrooms encourage collaboration among students. Through various online tools and group activities, students can work together on projects, share ideas, and engage in collaborative learning exercises.
