On April 12, 2024, the career guidance program titled "Navigating the Engineering Landscape: A Roadmap for First-Year BTech Students under KTU" unfolded with great success. Asst Prof Elvin Kurivilla, a seasoned educator, served as the resource person, guiding 105 first-year BTech students through an enriching session from 10:00 AM to 12:00 PM.

The program commenced with an insightful exploration of the BTech curriculum, breaking down core subjects and elective options to aid students in making informed decisions about their academic journey. Asst Prof Elvin Kurivilla provided valuable guidance on choosing specializations aligned with individual interests and industry trends.

Emphasis was placed on building a strong foundation in fundamental subjects to prepare students for the challenges of advanced coursework in subsequent years. The resource person encouraged active participation in extracurricular activities, internships, and projects, highlighting their role in skill enhancement and career differentiation.

The session concluded with a focus on industry demands and the importance of staying abreast of technological advancements. Asst Prof Elvin Kurivilla urged students to craft personalized career development plans, empowering them to set and achieve both short-term and long-term goals.

With 105 beneficiaries in attendance, the program proved to be an invaluable guide for first-year BTech students, equipping them with the knowledge and tools necessary to navigate their academic and professional journey successfully. The event exemplified the commitment of the institution to holistic student development.
