Facilities Provided for Women

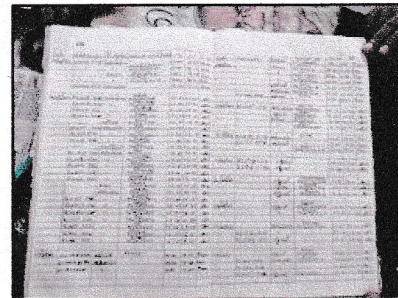

Safety of girl's in the college is an important priority that the Institute has always an eye on women's progress, safety and empowerment. Gender Equality is maintained in the college through various initiatives and actions for creating safe, secure and healthy atmosphere for the girl students. Nowadays, safe and secure campus is a challenge for college administrative. VISAT Engineering college is always is in forefront of providing the safest ambiance in the college premises especially for girls.

Specific initiatives and the respected key areas are shown in below as follows

1. Safety and Security
2. Common room
3. Ladies Hostels
4. Sanitary Napkin Incinerator
5. washroom facilities

Security Personnel

Our Institution ensures presence of strong security personnel in and around the campus to maintain safe and secure environment to girl students in the college and in the hostels. Visitor's record is maintained by security personnel at each point, in front of the college and the girls' hostel to ensure the entry of visitors and to avoid entry of unauthorized persons. Enough number of Security staff is always on rounds around the campus to prevent unacceptable events inside the campus.

Common room

The common room facilitates the female students to take rest during health-related difficulties.

Common Room

Ladies Hostels

We have well established and exclusive girl's hostel with proper facilities in the campus. The hostel is being taken care of by female warden and supervisors. Duties of supervisors are arranged in such a manner that supervisors and security personnel are posted there for 24 x 7. Hostel wardens also reside within the hostel premises. Female sweepers are ensured in the hostel. Male members are allowed in the hostel without due permissions. Behavior of the students is monitored based on the set of well-defined rules under the guidance of wardens. Grievances of hostel students are addressed by conducting meeting with the associate wardens at regular intervals.
