Additionally, the Company recognizes the importance of giving back to society by imparting the knowledge they have gained to deserving students. They have a repository of valuable knowledge and expertise, referred to as the "Knowledge Domain," which they are eager to disseminate among students from various colleges.

The primary goal of the Company is to bridge the gap between the increasing demand for IT jobs and the education provided to students, even in non-IT fields. They achieve this through their Knowledge Transfer initiatives. Beyond simply updating students about the latest software, the Company also emphasizes imparting essential interview skills, including tips on cracking interviews and showcasing strong points to increase chances of selection.

With this association between the Company and the reputed colleges, all their agendas and objectives are being fulfilled. They are delighted to be associated with such esteemed institutions and are committed to providing valuable knowledge, guidance, and support to the deserving students, helping them excel in their academic and professional pursuits.

**Limitations on Use:**

The Company strictly prohibits the utilization of its name, brand, or any associated intellectual property by any other association, partner, or company without prior written permission. Any unauthorized use or breach of this clause will be considered a serious violation of the terms of this MoU.

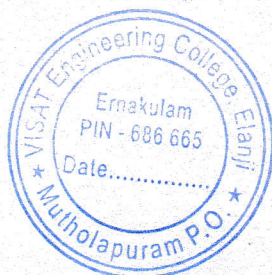

In the event of a breach of this limitation on use, the Company reserves the right to take immediate legal action to protect its intellectual property rights and seek appropriate remedies under applicable laws and regulations.

**Confidentiality:**

Department of Computer Science and engineering, VISAT Engineering College (hereinafter referred to as the "College") agrees to maintain complete confidentiality with respect to any information provided by Camerinfoiks Pvt Ltd (hereinafter referred to as the "Company"). The Licensee shall not disclose, copy, reproduce, or alter any confidential information provided by the Company.
