- d. Provide resource persons for conducting workshops and seminars in the specific area.
- e. Provide training and placement opportunities for the students.

Responsibilities of the Institution:

- a. Designate a focal person to coordinate the implementation of this MOU;
- b. Provide access to its resources, facilities, and expertise to support joint activities under this MOU;
- c. Identify and recommend suitable candidates for internships in the Company;
- d. Facilitate the dissemination of joint academic outputs through its networks and channels.

Responsibilities of the Company:

- a. Designate a focal person to coordinate the implementation of this MOU;
- b. Offer internships and workshops to students of the Institution, subject to its recruitment policies and procedures;
- c. Provide sufficient experience in the particular field of industry;

Intellectual Property Rights:

- a. Any intellectual property created jointly by the parties under this MOU shall be jointly owned by the parties, subject to their respective rights and obligations under applicable laws and regulations.
- b. The parties shall negotiate in good faith and execute a separate agreement to govern the ownership, use, and exploitation of any intellectual property created jointly under this MOU.
