7.1.3 (4) ENVIRONMENTAL PROMOTION ACTIVITIES 2023

Conducted by: NCC students of Visat Engineering College

Location: Kanjiramattom Railway Station

Date: 6th January 2023

NCC students from Visat Engineering College made a commendable effort to contribute towards a cleaner and more hygienic railway station environment. On the 6th of January 2023, these enthusiastic students took up the task of cleaning the Kanjiramattom Railway Station as part of this noble initiative. The dedication and hard work of these students have set a positive example for others to follow in the pursuit of a cleaner and greener India. Their collective efforts have made the railway station a cleaner and more pleasant place.

2.Clean and Renovation in Elanji Grama Panchayat Waiting Shed Located in Mutholapuram 2022

On the 16th of October 2022, a community-driven initiative spearheaded by the Community Service Cell and NSS (National Service Scheme) embarked on a significant project to clean and renovate the Elanji Grama Panchayat Waiting Shed located in Mutholapuram. This project aimed to enhance the comfort, functionality, and aesthetics of the waiting shed, providing a more welcoming and pleasant space for the local community. The activity is conducted based on the Swachh Bharat Abhiyan mission. The program is coordinated with full support from management.

of Koorumala and Areekal Waterfalls. This initiative was coordinated by the NSS Technical Cell. The primary objective of this event was to promote cleanliness and eco-friendly practices in this picturesque location.

A diverse group of volunteers came together to participate in the clean-up campaign. The event created awareness about the importance of preserving our natural beauty and the responsible use of our natural resources.

The clean-up campaign not only enhanced the environmental quality of the area but also fostered a sense of community and social responsibility among the participants. It was a successful and meaningful event, reflecting the spirit of National Tourism Day and the commitment to maintaining the natural beauty of Koorumala and Areekal Waterfalls.
